6th January 2026

Dear Parent/Carer

I am pleased to inform you that we are participating in the NSPCC's *Speak out. Stay safe.* Programme this term.

This child friendly programme is aligned with the curriculum and consists of age appropriate assemblies and supporting classroom based activities. The NSPCC will also be in school on **Tuesday 20th January** to deliver workshops for children in year 2, year 5 and year 6.

If you would like to know more about the *Speak out. Stay safe.* programme visit www.nspcc.org.uk/speakout.

Feedback survey for pupils aged 7-11

The NSPCC would like to gather feedback from pupils aged between 7-11 about the *Speak out. Stay safe.* programme to gauge their learning. **This will be voluntary and children can still take part in the programme if they don't take part in the survey.**

- All survey questions are multiple choice and focussed on the programme.
- The survey is anonymous and confidential. However, if in the process of completing the survey, a teacher becomes concerned for a pupil's welfare (e.g., through something a pupil says) we will follow our school's safeguarding procedures.
- If you **do not** want your child to take part in the **survey**, please complete the withdrawal form using this link: [NSPCC Survey Withdrawal Form](#)
- If you have agreed that your child can take part in the survey but your child changes their mind on the day, that is also okay.

Additional NSPCC resources for families to help keep children safe

The NSPCC have shared some important information below on wider NSPCC resources and support to help keep children safe.
